BEER

“Fill with mingled cream and amber,
I will drain that glass again.
Such hilarious visions clamber
Through the chambers of my brain.
Quaintest thoughts — queerest fancies,
Come to life and fade away:
What care I how time advances?
I am drinking ALE today.”

APERTIFS & DIGESTIFS

CHARTREUSE

Only two people can list the 130 plants and spices that make Chartreuse. For over four hundred years, since Marechal D'Estree gave the Carthusian fathers a manuscript in 1605 detailing the formula of this cherished secret, the formula has been passed down from century to century among a few chosen initiates.
